Training Course Demo Classes

ITS DISPATCH
TRAINING ACADEMY

✅ This Demo class will be 2 Lectures for 1-1.5 hours duration each which will include a general overview for the entire course including Freight Brokerage.

✅ During the session we will be discussing the basic guidelines for Dispatching and will be targeting Load Booking, Profit calculations, Safety measures, Freight Brokerage and much more.

✅ Once the general information has been tendered to you, you will be allowed a chance to have all your questions and queries cleared out.

✅ The Fees for the Demo class will be $50, incase you will be willing to opt for the Dispatch Course this amount will be compensated in the course fees.

✅ You are free to reach us back if you have any more questions and queries.
