

INTRODUCING ITS DISPATCH ACADEMY

We are thrilled to offer a comprehensive training program that will equip you with the skills and knowledge needed to become a successful dispatch professional.

Our program includes hands-on training, industry-specific knowledge, and guidance from certified professionals in the field. Invest in your future and join us today!

Here Are Some Course Details

1

This course consists of 6 lectures, each for duration of 1-2 hours depending upon the students in the batch.

2

Adding Freight Brokerage courses will add 1 extra week and 2 lectures to your dispatch course. (Additional + 125\$)

3

Software used will be Avaal E-Manifest for border clearance and Power DAT/ Load Link for load booking

4

You will be provided with a Summary PDF/Notes at the end of the classes which will be helpful for you guys to prepare yourself before the interview.

5

We do help in jobs, text us back to know how. Also, we provide sample resumes if needed

6

Students will be awarded with a Dispatch Completion Certificate at the end of the course.

7

We never prefer more than 10-12 students in a batch just to make sure students learn well and feel comfortable.

8

We offer live recorded lectures of all the sessions upon request for revision and unlimited offline/online training until you feel confident enough regarding the course at no additional cost.
